SUPPLEMENTARY INFORMATION:

Title: Race, Ethnicity and Gender Data Collection

OMB Number: OMB No. 0505-0019 *Expiration*

Date of Approval: March 31, 2014

Type of Request: Extension and renewal of a currently approved information collection.

Abstract: This data collection is necessary to implement Sections 14006 and 14007 of the Food, Conservation, and Energy Act of 2008, 7 U.S.C. 8701 (hereafter, referred to as the 2008 Farm Bill). Section 14006 of the 2008 Farm Bill establishes a requirement for the Department of Agriculture (USDA) to annually compile application and participation rate data

regarding socially disadvantaged farmers or ranchers by computing for each program of the USDA that serves agriculture producers and landowners (a) raw numbers of applicants and participants by race, ethnicity, and gender subject to appropriate privacy protections, as determined by the Secretary; and (b) the application and participation rate, by race, ethnicity and gender, as a percentage of the total participation rate of all agricultural producers and landowners for each county and State in the United States. Pursuant to the authority in Section 14006, the agencies of USDA are to collect the data and transmit it to the Secretary of Agriculture. Section 14007 requires USDA to use the data collected in the conduct of oversight and evaluation of civil rights compliance.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average 2 minutes per response.

Respondents: Producers, applicants

Estimated Number of Respondents: 3,520,000

Estimated Number of Responses per Respondent: 1

Estimated Total Annual Burden on Respondents: 105,600

Comments are invited on: (1) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.
